I. Call to Order

Technical Subcommittee Chairman Billie Giroir called the meeting to order at 1:30 p.m.

III. South Baton Rouge Tower Relocation

There is no update at this time due to scheduling conflicts with Mardi Gras and several other events that prevented coverage testing. Radio Communications, Motorola, and Region 2 personnel will work together to schedule testing.

Sammy Williams will also provide the TSC with coverage maps showing coverage at the S. Baton Rouge site, the proposed St. George site, and the coverage difference between the two without the Baton Rouge Simulcast site coverage.

The TSC voted to table the issue until the coverage testing is complete

IV. East Feliciana Tower Request

Region 2 has requested the SIEC review coverage issues in East Feliciana Parish. Specifically, Dixie Electric Membership Corporation (DEMCO) is in the process of constructing a tower site that would address the coverage issues and has agreed to allow LWIN to use the site free of charge.

The TSC voted to approve the new East Feliciana site at the DEMCO tower and present to the full SIEC for approval.

V. Public Comments

There were no public comments.

VI. Adjournment

The TSC voted unanimously to adjourn.
